

OZILLA FESTIVAL WEBSITE BRIEF 2026

A complete digital platform designed for festival discovery, audience engagement, restaurant & hotel partnerships, discount access and brand collaborations.

Website Objective

To build a premium experience platform where users can explore OZilla Festival, discover partner restaurants & hotels, claim discounts, and connect with event experiences.

About OZilla

OZilla Festival is a youth-focused entertainment experience combining music, food, culture, creators, brands and communities into one powerful lifestyle platform.

Festival Experience

- Live Concerts
- DJ Nights
- Food Experiences
- Brand Activation Zones
- Content & Photo Moments
- Community Engagement

Website Main Pages

Home | About OZilla | Festival Experience | Restaurants | Hotels | Discounts | Become a Partner | Contact

Restaurant Partner Module

Restaurants onboarded with OZilla will have dedicated profiles including logo, cuisine type, location, exclusive discount percentage, offer details and claim discount option.

Hotel Partner Module

Hotel partners will showcase rooms, location, facilities, OZilla special rates, discount offers and booking options.

User Journey

Discover OZilla → Explore Partners → Select Discount → Use Promo Code → Enjoy Experience
